503.104-7 Violations or possible violations.

- (a) The HCA is the individual designated under FAR 3.104-7 (a)(1) to receive information related to a conclusion that a reported or possible violation has no impact on a procurement.
- (b) If the HCA receives information describing an actual or possible violation, the HCA must take all of the following actions:
 - (1) Refer the matter immediately to the Inspector General;
 - (2) Determine what action to take on the procurement under FAR 3.104-7 (b)-(g); and
- (3) Notify the Administrator if he or she determines that urgent and compelling circumstances, or other Government interests, justify the award or modification.
- (c) If a contracting officer has not been appointed, the contracting director performs the contracting officer actions defined in FAR 3.104-7.
